**Sub: Furnishing Annual Report on Implementation of Municipal Solid Wastes
(Management and Handling) Rules, 2000 for the year 2013-14 - reg.**

Sir,

As per the Municipal Solid Wastes (Management and Handling) Rules, 2000, State Pollution Control Boards (SPCBs)/Pollution Control Committees (PCCs) are required to submit the Annual Report in Form-IV of the said Rules regarding implementation of the MSW Rules, 2000 to CPCB by 15th of September every year. Annual Reports are important documents as the information contained is used for preparing plan/policy for management of MSW at National level. It is observed that Annual Reports received from some SPCBs/PCCs do not provide detailed information on MSW management and hence, it becomes difficult to collate, compile and draw conclusion from the data. A check-list is therefore enclosed for compiling the Annual Report envisaging the required information in the prescribed Form-IV.

It is requested that the Annual Report for the year 2013-14 be furnished in the prescribed Form-IV through email at mantu.choudhury@rediffmail.com before 30th May 2014.

Yours faithfully,
(J. S. Kamyotra)
