IN THE MATTER OF:

**Affidavit in compliance of the order dated 03-11-2014, 02-12-2014
and 15-01-2015 by the Arunachal Pradesh State Pollution Control
Boards (APSPCB)**

AFFIDAVIT

I, Ms. Jigmi Choden, Additional Resident Commissioner,
Government of Arunachal Pradesh, Arunachal Bhawan, New Delhi do
hereby solemnly affirm on oath as under:-

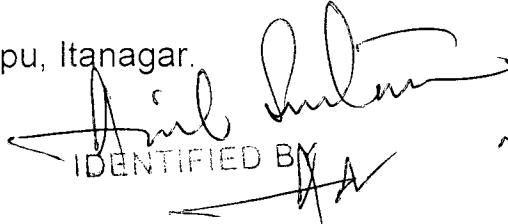

That I have been authorized APSPCB, Government of Arunachal Pradesh, Itanagar to affirm this affidavit on behalf of the Board on the basis of official documents that have been made available to me and which I believe to be true.

- 2. That this affidavit / status report is being filed pursuant to the directions above mentioned passed by this Hon'ble Tribunal.

3. It is submitted that pursuant to the order dated 03-11-2014 passed by this Hon'ble Court, the APSPCB sent the Annual Report to the Central Pollution Control Board vide letter dated 16-12-2014, a copy of which is annexed hereto and marked as Annexure R/1.

4. It is submitted that there are two Municipal Councils in the State, i.e. Itanagar Municipal Council and Pasighat Municipal Council. Apart from this the Department of Urban Development is responsible for the management of MSW in the State where the municipalities have not been set up. There are 18 Urban Divisions in the State and the Department of Urban Development is responsible for the management and handling of MSW as per the provisions laid down under the Municipal Solid Wastes (Management and Handling) Rules, 2000 in these Urban Divisions. It is further submitted that one Waste Processing and Disposal Facility for the MSW of the Capital Complex is operational at Chimpu, Itanagar.

SUMMARY STATEMENT ON PROGRESS MADE BY MUNICIPAL AUTHORITIES IN RESPECT OF IMPLEMENTATION OF SCHEDULE II (RULE 43)

- The implementation could not be met as scheduled. However, continuous efforts are on for implementation of the parameters.
- One waste processing and disposal facility for the MSW of Capital Complex is operational at Chimpu in Itanagar.
- The Itanagar Municipal Council and Pasighat Municipal Council have taken over the subject of sanitation from the Department of Urban Development & Housing (UD&H) of Capital Complex and Pasighat respectively. However, the UD&H is responsible for the management and handling of MSW as per the provisions laid down under the Municipal Solid Wastes (Management and Handling) Rules, 2000 in the other remaining urban divisions.
- A Committee headed by the Deputy Commissioner, Capital Complex is constituted to identify dumping/landfill sites for the Capital region.

SUMMARY STATEMENT ON PROGRESS MADE BY MUNICIPAL AUTHORITIES IN RESPECT OF IMPLEMENTATION OF SCHEDULE II [RULES 6(D) AND (3), 7(D)]

1. COLLECTION OF MUNICIPAL SOLID WASTES
COMPLIANCE STATUS

- House to house collection facility is done in I division. Further, household survey is underway in I division to start house to house collection.
- RCC bins, dustbins, Trolleys, dumper placer-loader and twin litter boxes of different capacities are installed at various specific locations accessible to the users in the Town for collection of wastes.
- One division has incinerator in the respective hospital for disposal of Bio-medical waste.
- Weekly checking of Slaughter house waste and demolition waste (*malba*) by DUDA in one of the divisions. While one division have instructed the respective private contractors to clean the demolition wastes (*malba*) by themselves.

2. SEGREGATION OF MUNICIPAL SOLID WASTES
COMPLIANCE STATUS

- The Municipal Council Itanagar has conducted meeting with the stakeholders to discuss about the MSW and its management in Capital Complex.

3. STORAGE OF MUNICIPAL SOLID WASTES
COMPLIANCE STATUS

- Storage facilities like RCC bins and containers of different specifications/sizes are established and put up in specific areas by taking into account the quantities of wastes generation and population densities.
- RCC bins, dustbins, Trolleys, dumper placer/loader and twin litter boxes of different capacities are installed at various specific locations accessible to the users in the Town for collection of wastes.
- The wastes are handled manually due to constraints. However, it is carried out under proper precaution and the safety of the workers is taken care of.

4. TRANSPORTATION OF MUNICIPAL SOLID WASTES
COMPLIANCE STATUS

- The storage facilities are attended daily for clearing of wastes.
- Vehicles like dumper placer, animal cart, tricycle, refuse collector, TATA Ace with segregated compartment and tipper trucks are used for transportation of wastes to the dumping site.
- Barring some trucks most of the other transportation vehicles do not have waste covering facilities during its transportation.

5.5. MANAGEMENT OF MUNICIPAL SOLID WASTES
COMPLIANCE STATUS

365

32/26

- Department of UD&H had constructed one waste processing and disposal facility at Chimpu in Itanagar that is operational wherein 50 MT/day of wastes are composted.
- Two of the divisions follow vermicomposting and one division follows pelletization.
- Vermicomposting proposal is underway in one division.
- MSW plant is under construction and is likely to complete next year in one of the divisions.

6. DISPOSAL OF MUNICIPAL SOLID WASTES
COMPLIANCE STATUS

- Excluding the one waste processing and disposal facility that is operational at Chimpu in Itanagar wastes of all other divisions are disposed in open dumping ground. No landfilling is carried out.
- Landfill site is under construction in one of the divisions.

SUMMARY STATEMENT ON PROGRESS MADE BY MUNICIPAL AUTHORITIES IN RESPECT OF IMPLEMENTATION OF SCHEDULE III [RULES 6(1) AND (3), 7(2)]

- A Committee headed by the Deputy Commissioner, Capital Complex is constituted to identify dumping/landfill sites for the Capital region.
- The dumping sites are located away from habitation clusters, forest areas, water bodies, monuments, national parks, wetlands and places of important cultural, historical or religious interest.
- We have written to all the Deputy Commissioners of the State to expedite the process for identification of landfill sites.
- We have also written to the Chief Municipal Executive Officer of Itanagar Municipal Council to identify and select a site for landfill site.

SUMMARY STATEMENT ON PROGRESS MADE BY MUNICIPAL AUTHORITIES IN
RESPECT OF IMPLEMENTATION OF SCHEDULE IV [RULES 6(1) AND (3), 7(2)]

- One waste processing, treatment and disposal facility located at Chimpu in Itanagar is operational.

CHECK-LIST

[FOR FILLING ANNUAL REPORT ON MSW MANAGEMENT]

NB* The information is compiled based on Annual Reports received in Form-II from 7 urban divisions of the State.

1. Towns/cities

1	Total number of towns/cities	12 numbers of towns as per Govt. of Arunachal Pradesh Notification dated 28 th November, 2013

Date: 12/12/2014

To,

- The Deputy Commissioner-cum-Chairman, DUDA
- Tawang East Kameng, Kurung Kumey, West Siang, Upper Siang/ Lower Dibang Valley/ Dibang Valley/ Lohit
- The Chief Municipal Executive Officers, Municipal Council
- Pasighat

Sub: Compliance to the Order dated November 3, 2014 of the Hon'ble NGT- Delhi in the matter of Almitra H.Patel Vs. Union of India and Ors. -O.A. No. 199 of 2014 - regarding

Sir,

In inviting a reference to the subject mentioned above, the Hon'ble National Green Tribunal in the matter of Almitra H.Patel Vs. Union of India and Ors. -Original Application No. 199 of 2014 has observed that the State Pollution Control Boards have not filed periodical reports on waste management in the states to the Central Pollution Control Board (CPCB) that is mandatory under Section 8(1) of the Municipal Solid Waste (Management and Handling) Rules, 2000 and stated in its order dated 3rd November, 2014 that:

"We make it clear that every SPCBs/PCCs of this country shall file such report to the CPCB within two weeks from today after receipt of the copy of this order. And after receiving such status reports, the CPCB shall present the same with a comprehensive report before the Tribunal on the next date of hearing (2nd December, 2014) so as to enable the Tribunal to pass further orders" and

"Each of the State Governments shall also file their time bound action plan for the purpose of implementing the Municipal Solid Waste Management and Handling Rules before the Tribunal".

In this regard, copy of D.O. letter addressed to the Chief Secretary, Government of Arunachal Pradesh is also enclosed herewith for your information and necessary action please.

Also, in this matter the CPCB had observed that the periodical reports submitted by this Office don't reflect complete information. It may be informed once again that we have been communicating through letters time and again to submit MSW Annual Reports pertaining to your districts/divisions in Form-II to this Office before 30th June every year. After receipt of your Annual Reports this Office compiles the information and forwards to the CPCB in Form-IV. However, due to receipt of incomplete information from various Municipalities/Urban divisions we are not in a position to compile and forward a complete report to the CPCB.

Now, therefore, in view of the observation and the Hon'ble NGT order above and in order to enable us to file such report to the CPCB within two weeks from today, it is directed that:

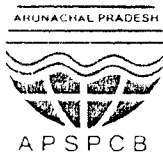

- 1) The remaining Municipalities/Urban Divisions (viz Pasighat Municipality/Urban divisions of Lohit, Namsai, Lower Dibang Valley, Dibang Valley, Tawang, East Kameng, Kurung Kumey, West Siang, East Siang and Upper Siang) are to submit MSW Annual Reports in Form-II to this Office within two weeks.
- 2) All the Municipalities/Urban Divisions are to submit MSW Annual Reports in Form-II to this Office on time i.e. before 30th of June every year for the coming years.
- 3) All the Municipalities/Urban Divisions are to submit time bound action plan for the purpose of implementing the MSW (Management & Handling) Rules before the Tribunal.
