Affidavit in compliance of order dated 13/07/2015 passed by
the Hon'ble NGT, Principal Bench, New Delhi.

I, Malini Shankar, Additional Chief Secretary, Environment Department
, 217, Annex building, 2nd Floor, Madam Cama Road, Mantralaya, Mumbai -32
do hereby state on solemn affirmation as under. I have gone through the
order passed by this Hon'ble Tribunal dated 13/07/2015 in the matter & filing
this affidavit with a limited purpose to bring before this Hon'ble Tribunal, the
status report with regard to the collection, storage & disposal of Municipal
Solid Wastes (MSW) in the entire state of Maharashtra and also compliance of
the provisions of the Municipal Solid Wastes (Management & Handling) Rules,
2000 (herein after referred to as MSW, Rules).

- 1) I say and submit that, under rule 5 of the above said rules, it is specifically
mentioned that, the Secretary in charge of the urban development
department is having the overall responsibility of the State Government for
the enforcement of the provisions of these rules in the metropolitan cities &
the District Magistrate or Deputy commissioner of the concerned district are
having overall responsibility for the enforcement of the provisions of these
rules within the territorial limits of their Jurisdiction.

[Handwritten signature]

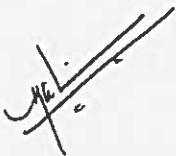

- 2) I say and submit that, as per rule 6 of the above said rules, the state board or the committee shall monitor the compliance of the standards regarding ground water, ambient air, leachate quality & the compost quality including incineration standards as specified under schedules II, III & IV. I further say and submit that, the State Board after receipt of the application from the Municipal Authority or the operator of a facility in form I, for grant of Authorization for setting up waste processing & disposal facility including landfilling, shall examine the proposal & issue the Authorization thereto stipulating compliance criteria & standards as specified in schedules II, III & IV.
- 3) I say and submit that, the Scientific Management of the MSW includes various components such as collection, Segregation, storage, transportation, processing & disposal of the Municipal Solid Waste. I further say and submit that, the segregation of the Municipal Solid waste at source of its generation is a key component in the Scientific Management of the Municipal Solid Waste.
- 4) I say and submit that, the Maharashtra Pollution Control Board (herein after referred to as MPCB) is a nodal agency in the State of Maharashtra to monitor the compliance of the MSW (M & H) Rules, 2000. I further say and submit that, the MPCB seeks present status from the various Municipal Corporations / councils about the compliance of these Rules. I further say and submit that, in compliance of order dated 02/04/2013 of the Hon'ble H. C. of Bombay in various public interest litigations & Writ Petitions, the MPCB issued final directions dated 06/06/2014 to all the Municipal Corporations directing them to make 25% of budgetary provision each year for the Management of the MSW & Management & Treatment of sewage & thereby submit the resolution passed by the said Municipal Corporations.
- 5) I say and submit that, the MPCB pursuing each and every Municipal Corporations for compliance of the provisions of the MSW (M & H) Rules, 2000 & thereby, filed its affidavit dated 29/01/2015 & 25/02/2015 before this Hon'ble Tribunal after taking necessary steps as per the directions of the order dated 02/04/2013 passed by the Hon'ble High Court Bombay.
- 6) I say and submit that, MPCB has filed present status report of Municipal Solid Waste Management in the State of Maharashtra in their affidavit dated 25/02/2015. I further say and submit that, MPCB has once again submitted latest present status report with regard to the collection, storage & disposal of MSW in the entire state. I further say and submit that, as per the status report submitted by MPCB there are 258 Urban local bodies which includes 26 Nos. of Municipal Corporation, 12 nos. of A class Municipal Councils & 220 Nos. of B, C Class of Municipal Councils, Nagarpanchayat & Cantonment Boards in the State of Maharashtra. The total Municipal Solid Waste generation in the State of Maharashtra is 26,820 MT/ day out of which 89.19 % of MSW generated is contributed by 26 Nos. of Municipal corporations and remaining 10.89% of MSW is contributed by other local bodies.
- 7) I say and submit that, the information regarding the status of MSW Management which is enumerated here under now submitted before this

Hon'ble Tribunal, after collecting the same from MPCB, which is the implementing Authority of the MSW Rules.

8) I say and submit that, the status report with regard to Municipal Corporations which have provided collection, storage & disposal of MSW & other facilities such as RDF facility or Waste to energy or any other processing plants for MSW or thereby proposed is as below.

- i) Navi Mumbai Municipal Corporation – Provided RDF facility & aerobic composting & recycling of plastic waste which are in operation.
- ii) Mira – Bhayandar Municipal Corporation – Provided RDF facility & Bio composting facility which are not in operation due to non viability of the project & fire incident.
- iii) Nagpur Municipal Corporation – Provided RDF facility & composting plant which are not in operation since May, 2015. The said Corporation has proposed waste to energy project for processing of MSW.
- iv) Jalgaon Municipal Corporation - Provided RDF & composting facility which are not in operation.
- v) Nashik Municipal Corporation - Provided RDF, composting & Bio methanisation facility. Except RDF facility, other facilities are in operation.
- vi) Kolhapur Municipal Corporation-Proposed waste to energy project which would be commissioned by Oct., 2016.
- vii) Pune Municipal Corporation – Provided RDF, Pyrolysis / gasification which is waste to energy project & Vermi composting & Bio methanisation. Except RDF, other facilities are in operation.
- viii) Pimpri – Chinchwad Municipal Corporation – Provided composting, Vermi composting & conversion of plastic waste to fuel. The said corporation has also proposed Bio gas plant and waste to energy project.
- ix) Solapur Municipal corporation - Provided waste to energy project in terms of Bio-methanation plant to produce electricity which is in operation.
- x) Vasai-Virar Municipal Corporation - Provided composting plant which is not in operation. The said Municipal Corporation has proposed waste to energy project for which time bound programme has been submitted.
- xi) Thane Municipal Corporation – Provided Bio composting plant of 35 ton/ day capacity out of 650 ton/day of generation of MSW which is in operation.
- xii) Chandrapur Municipal Corporation – Provided Bio Gas Plant & Vermi composting plant. Vermi composting plant is in operation.
- xiii) Dhule Municipal Corporation – Provided Vermi composting plant (partially in operation).
- xiv) Malegaon Municipal Corporation – Provided Vermi composting plant (partially in operation 60 ton /day out of 300 tons/day of generation of MSW).
- xv) Latur Municipal Corporation – Provided mechanical composting which is in operation for 100 % waste generation.

xvi) Municipal Corporation of Greater Mumbai – Provided 3000 ton/day capacity Bio reactor at Kanjurmarg, 138 ton/day capacity composting at different places & 27 ton/day pellets from Green waste.

Hereto annexed & marked as Exhibit 'A' is a list of Municipal Corporations as stated herein above along with details.

I further say and submit that, the other Municipal Corporations which have not yet provided nor proposed processing facility for MSW. The list of such Municipal Corporations is enclosed along with details & marked as Exhibit 'B'.

9) I say and submit that, out of 12, A class Municipal Councils, the Panvel Municipal council & Ichalkaranji Municipal Council have provided composting plant which are in operation & have 100 % & 50 % capacity respectively. I further say and submit that, Yavatmal Municipal council has provided Vermi composting plant which is not in operation. I further say and submit that, Satara Municipal council has proposed 2 ton/ day aerobic composting plant out of 35 ton/day generation of MSW. Hereto Annexed & marked as Exhibit 'C' is the list of said councils along with details. I further say and submit that, the remaining A class Municipal Councils have not provided any facilities nor proposed to treat the MSW. Hereto annexed & marked as Exhibit 'D' is the list of such councils along with details.

10) I say and submit that, B, C Municipal Councils, nagarpanchayat & cantonment Boards are 220 in nos. out of which 46 Nos. of such local bodies have provided / proposed MSW processing facilities in the form of composting / vermi composting / Bio methanisation to its full / partial capacity of generation of MSW, which also includes, Panhala Municipal Council, Dist. Kolhapur which has provided vermi Compositing plant but not in operation, Tumsar Municipal Council, Dist. Bhandara which has proposed to provide composting plant & Bio gas plant, Pandharkawda Municipal council, Dist. Yavatmal which has provided vermi composting plant, which is in operation & also proposed Bio Methanisation & MSW processing facilities as stated herein above of remaining 42 nos. local bodies are in operation for its full / partial capacity of MSW generation in their jurisdictions . Hereto annexed & marked as Exhibit 'E' is the list of such 46 nos. of local bodies. I further say and submit that, remaining 174 nos. of local bodies which includes B & C class Municipal councils, Cantonment Boards & Nagarpanchayats have not provided any facilities nor proposed for providing MSW processing facilities. Hereto annexed & marked as Exhibit 'F' is the list of 174 nos. of local bodies along with details.

11) I say and submit that, all the local bodies have provided collection system of MSW generated in their jurisdictions in the form of closed trucks, trailer, tipper, tractor, Ghantagadi, Mechanical Vehicle etc.

12) I say and submit that regarding the storage of Municipal Solid Waste, the Municipal Corporation of Greater Mumbai has not provided proper storage facility at Kanjur Marg, dumping site at Deonar and Mulund. However, there are four transfer stations namely, Mahalaxmi, Gorai, Versova and Kurla out of which only Mahalaxmi transfer station is having concrete flooring with

10997

leachate collection facility. I further say and submit that, Pune Municipal Corporation has provided 7 nos. of storage facility for transferring Municipal Solid Waste to processing plant and with regard to Navi Mumbai Municipal Corporation 80% of Municipal Solid Waste is collected from house to house by small vehicles and community bins are provided at different places for temporary storage of Municipal Solid Waste. I further say and submit that, the storage facility in the form of bin at various places for collection and storage of MSW is not in accordance with MSW Rules and Municipal Corporation / Councils have open storage facility for MSW at processing site / dumping site except Nashik Municipal Corporation.

Solemnly affirm on this 31st day of July, 2015.
